

Underwriting Report

Executive Summary:

The application for a life insurance policy by Mr. Abhijit Bomble has been thoroughly reviewed.

Key Findings:

- The applicant's KYC verification indicates a name mismatch requiring further documentation.
- The requested coverage amount necessitates a medical examination.
- The applicant has no reported health issues or high-risk behaviors.

Risk Assessment:

The applicant's profile demonstrates a stable financial and occupational background. However, the high coverage amount and KYC discrepancies introduce additional review requirements.

Recommendation:

Proceed with the application upon successful resolution of the KYC mismatch and completion of the medical examination.
